

## CONFERENCE TOPIC

### **His and Ours: Conforming to the Emotional Life of Jesus Christ**

Emotional health?? It is not uncommon to hear people use that terminology and talk about being in a "better place emotionally." But what's the standard? How do we evaluate our emotional lives? Pastor Jeff Johnson demonstrates from the life of Christ that a healthy or even normal emotional life is not the issue. It is about a righteous emotional life. Our Lord was without sin. Therefore, His emotional life as recorded in the gospels provides a righteous standard for Christians to evaluate theirs and to cultivate emotional responses to people and circumstances that glorify God.
